

# 2026 TAP Health Summer Academy

## THSA provides rising high school juniors & seniors a summer opportunity to:

- Gain college, career preparation & other leadership skills
- Explore careers in medicine, nursing & allied health
- Explore hospital & healthcare settings
- Explore college healthcare programs & simulation centers
- Learn about medical terminology
- Try out introductory medical skills
- Receive BLS & CPR and Stop-the-Bleed Training & Certifications
- Connect with other regional students, healthcare professionals and potential mentors!

## How to Apply in 3 Steps:

- ✿ Review and complete application online.
- ✿ Request a letter of recommendation from an adult you trust.
- ✿ Ensure all materials are submitted by or before March 18, 2026.

Students are notified of acceptances by March 31, at which time the accepted students will receive our 2026 events calendar.

**There is a \$300 participant fee to be in THSA, with financial waivers available for ANY student who needs one.**
